

US EPA ARCHIVE DOCUMENT

The **Border Environment Cooperation Commission (BECC)** and the **Environmental Protection Agency (EPA)** are pleased to announce the publication of a Request for Proposals (RFP) for projects to be implemented in the New Mexico-Texas-Chihuahua (3 State Region) and Texas-Coahuila-Nuevo Leon-Tamaulipas (4 State Region) border region. The new RFP will assist these institutions to meet the Goals and Objectives of the Border 2020 U.S. – Mexico Environmental Program, whose mission is to “protect the environment and public health in the U.S.-Mexico border region, consistent with the principles of sustainable development”.

RFP opens **June 19, 2015** and closes on **August 3, 2015**. For specific information on the workshops and RFP please visit BECC’s website <http://www.becc.org/> or the Border 2020 website www2.epa.gov/border2020.

The BECC and EPA also invite you to attend an Informational Workshop regarding the RFP for 2015
